

## Request for funding from the Human Suffering Relief Fund

### What is the Human Suffering Relief Fund?

This fund, established in 2020, is used to provide assistance to address human suffering resulting from disasters of all types—whether “natural” or human-caused or both. A request for an expenditure from this fund can be made at any time to the Clerks, who appoint an ad hoc committee with members from Contributions Committee, Committee on Ministry and Counsel, and any committee or action group relevant to the particular request, such as Peace and Social Concerns, Earthcare, or Justice Action Group. The ad hoc committee shall review the request. Payments from this fund are approved by the Meeting for business upon recommendation from the ad hoc committee.

Many organizations are set up to be paid by credit card, which is difficult for us. If we do fund this group, please find out exactly who we should make a check out to and where we should send it. [In some cases we can't pay by check, but it's much more complicated if that's what we need to do]
